

# *Nothing is more Precious than our memories.*

When you show a memorial/tribute video at a memorial service, it changes the whole atmosphere of the gathering. It becomes a celebration of a life, and focuses on the good memories you shared with your loved ones.

Creating a Memorial Tribute Video can be a cathartic experience. Gathering the photos, videos, and slides becomes a special time of reminiscing and sharing memories.

Afterwards, it becomes a keepsake for family members and friends and will be a family heirloom for years to come.
